PET LIFE CARE SCHEME

Looking after a pet means loving and caring for them, for life. It can also mean making provision for them if you pass away. Our Pet Life Care Scheme means that, in the event of your death, we'll care for your pet(s), then do all we can to find them a happy and loving home for the rest of their lives.

3. Adding Pet Life Care Scheme to your Will.

We recommend you add the following suggested Pet Life Care Scheme wording to your Will as this formally acknowledges RSPCA Brighton in any future arrangements. It also ensures that your Executor is fully aware of your wishes as this is the only official document that they must refer to when dealing with your estate.

"I give my pet [*name of animal(s)*] or any animals I own at my death [*and amount / percentage of my residuary estate*] to the RSPCA Sussex Brighton & East Grinstead Branch of London Road, Patcham, Brighton, BN1 8ZH (RSPCA Brighton), registered charity no 206630, for its general purposes and I direct that once the animal(s) is/are delivered to RSPCA Brighton it shall take over full responsibility for it/them and seek to place it/them in a suitable home(s). The receipt of the honorary treasurer or other appropriate officer of RSPCA Brighton for the time being shall be a good discharge of my Executors."

It is not essential for you to leave us money to care for your pet, however if you are able to this will help support the work we do at the Animal Shelter and will help us continue to look after yours and other pets while we find them new forever homes.

Yes, I have added the Pet Life Care Scheme wording to my Will. (You may enclose a copy of your Will if you wish, but this is optional.)
